Letter from the Secretary . . .

Ed Paterson . . .

Ed Paterson, '43, secretary of the Whittier College Alumni Association, has announced his resignation from the Association post as of August 1, 1948.

Paterson, who has served as alumni secretary and graduate manager at the college since September, 1946, plans to enroll at Stanford University in the fall where he will study for a Master's degree in business administration.

Dear Friends:

This is the last "letter" I will write for "The Rock." I have enjoyed the opportunity to meet you through these pages and, though the words have come from a not-too-skillful pen, I hope that you have read them with understanding.

It was just 21 months ago that I was appointed to guide alumni affairs. I feel that I can point with pride to the better organization that now exists nearly two years later.

From a total of approximately 1800 of which only 1200 addresses were known, our Association has grown to nearly 4500 persons. This figure represents 2149 graduates (35 still "missing"), 1600 former students (600 or 700 still "missing"), and 754 Broad Oaks graduates (300 still "missing"). With each issue of "The Rock," this list of "missing persons" is whittled down as we give each of you an opportunity to locate your friends. The cooperation of many of you in this regard has been especially gratifying.

The Master File of alphabetical classification has been supplemented by the geographical file of the Addressograph and a segregation according to Class. A biographical compilation has been started with the information blank recently mailed to you. It is hoped that pictures and news clippings will be added to this file from time to time so that the "Old Acquaintances" section will have greater resources to draw upon. If you have not already sent in your completed questionnaire, please do so right away and save us the time and expense of a second mailing. Don't forget that picture.

The name of our College and Association has been carried to several communities in Southern California with the organization of chapters in five districts. The first meeting was held at Newport Beach last fall at the home of Clinton Sawin. On February 4, the Pacific Coast Club at Long Beach saw the beginning of another chapter. The Hollywood Methodist Church was the site of a meeting from the Hollywood-Glendale-Burbank area on April 7. On April 21, the Huntington Park Woman's Club was the focal point for those living in the South Gate-Compton-Huntington Park districts.

The Broad Oaks Alumnae had a fine meeting at the Pasadena Athletic Club on April 25. This effort is planned to be duplicated at the next Homecoming.

Nearly 150 Whittier area alumni gathered together at the Whittier Woman's Club on May 8 for one of the best dances the Alumni Association.

KENNETH G. BEYER, '47, TO TAKE OVER AS DIRECTOR OF POET ALUMNI RELATIONS; WILL ALSO SERVE AS GRADUATE MANAGER

With Secretary Ed Paterson scheduled to leave the Whittier College campus, August 1, the Executive Committee of the Whittier College Alumni Association met in President Jones' office on Tuesday evening, May 11, to approve the creation of the Office of Alumni Relations by the Whittier College administration. Kenneth G. Beyer, '47, was appointed as first Director of the new administrative office. Also approved by the Executive Committee was a suggested constitutional amendment making the Director of Alumni Relations ex officio secretary of the Alumni Association. This amendment will be voted upon by the Association this month.

Ken Beyer, a Marine Corps veteran who was wounded in action on Guam, was graduated from Whittier College last June after having served during his senior year as president of the senior class and president of the Lancer Society. Ken was last year named the first winner of the newly-established Walter F. Dexter Award, to be presented each year to the outstanding Whittier College senior. The new Director was also the 1947 winner of the Sir Galahad Award presented by the Lancer Society to its outstanding senior annually.

Born in Orange City, Iowa, in 1922, Ken attended elementary school, high school, and two years of junior college in his home town before going to work for the Lux and Rinso companies.

Following three years in the Marine Corps, Ken entered Whittier College in 1945 as a sophomore. His first year at the Poet school he served as business manager of the A Cappella Choir and was active in Poet Theater. He continued in Poet Theater during his junior year and was also president of the Y.M.C.A. group on the Quaker campus, and social chairman of the Lancer Society.

During Ken's senior year he served as class president; Lancer president; senior representative; and was for the second year, listed in "Who's Who in American Colleges and Universities."

A psychology and education major, Ken has been doing graduate work at Whittier College and practice teaching at Pasadena City College during the past year. In addition to his other work, he has been active in the new Whittier College Department of Speech as a graduate clinician.

Ken has been married for two and a half years to Elizabeth Thomas Beyer of Whittier. They have no children.

Newest Association Chapter Set Up in Huntington Park As Alumni Gather April 21

On April 21, a delegation of Whittier College alumni attended the initial meeting of the Huntington Park Chapter of the Whittier College Alumni Association.

Dr. and Mrs. William C. Jones, '26; Mr. and Mrs. Kenneth G. Beyer, '47; and Ed Paterson, '43, met with the group at the Huntington Park Woman's Club.

Attending the meeting were Helen Joan Senecal, '47; Mr. and Mrs. Paul R. Collins, '37; Lucie Oldham Mazzone, '39; Mr. and Mrs. Stan Rohrbaugh, '27; Mr. and Mrs. Edward F. Behning (Charlotte Dickerson, '41); Mr. and Mrs. Fred Boerner, '39; Mr. and Mrs. Harold Irmsher (Marjorie Davis, '38); Mr. and Mrs. Dean Krebs, '37 (Doris Crofoot, '37); Mrs. Kota Henderson, '25; Ellsworth Stecklein, '44; Mr. and Mrs. Morgan Halvorson, '29 (Anna Henderson, '29); Mr. and Mrs. Russell Ranzona, '25 (Esther Barmore, '27); Mr. and Mrs. Charles W. Starkey, '20; and Mary Virginia Hahn, '27.

Each of the group introduced himself and told of his activities since graduation. Ed Paterson reviewed the progress made by the Association in the past year. Dr. Jones outlined the future of Whittier College as he saw it and called upon the Alumni to send students to the school. He demonstrated conclusively that Whittier College alumni can point with pride to the record of their school and its graduates.

Refreshments were served.

Enthusiastic Response Given Poet Alumni Spring Dance; October Affair Tentative

"A wonderful time!" Let's have some more of this kind of thing!" These were a few of the remarks in praise of the Whittier College Alumni dance, held in the Whittier Woman's Clubhouse, May 8.

Over 70 couples attended the affair, driving from Long Beach, Pomona, Huntington Park, Montebello, El Monte, and other communities.

Bob Abbey and his orchestra, obtained by Norfleet Callicott, '42, Alumni Association publicity chairman, provided dance music. Parlor games were available to non-dancers throughout the evening. Particular interest was shown in regard to several pictures of past football teams and their identification.

Cut flowers in window boxes and behind sections of white picket fence lent a garden atmosphere to the ballroom. The decorations were under the direction of Mrs. Homer G. Rosenberger, Jr., (Alice Martin, '37).

Tentative plans have been laid for a similar affair to be staged by the Alumni Association in October.

Alumni Association Forms Hollywood District Chapter

The Hollywood Methodist Church was the scene of the first meeting of the Hollywood-Glendale-Burbank area Chapter of the Whittier College Alumni Association, April 7.

Attending the meeting were: Mr. and Mrs. Frank Patterson, '32; Mr. and Mrs. R. Frank Schaffer, '25 (Mary Chambers, '26); Mr. and Mrs. Elvin Hutchison, '37; Mrs. Earl W. House (Helen Brenn, '40); Mr. and Mrs. R. D. McClure (Marilyn Crawford, '43); Carol Shafer Sealy, '42; Mr. and Mrs. Kenneth G. Beyer, '47; Mr. and Mrs. W. Reitherman (Janie McMillan, '45); Mr. and Mrs. Bert Downey, '37; Mr. and Mrs. Beryl Notthoff, '35; Mr. and Mrs. Lewis F. Ingraham (Rachel Bierma, '39); Nelda Siegmund, '36; Joseph Gaudio, '35; and Ed Paterson, '43.

Following the introductions, Ed Paterson, Alumni Association secretary, outlined the work of the association and the need for meetings of this type. Volunteers were requested to serve on a committee to organize other meetings in Burbank, Glendale, and North Hollywood. Mrs. Frank Schaffer, Frank Patterson, Elvin Hutchinson, Beryl Notthoff, and Carol Sealy will form the nucleus of this group.

The remainder of the evening was spent enjoying the punch and cookies served by Mrs. Joseph Gaudio.

Luncheon Speaker . . .

FRANK M. WRIGHT '16

Noted California Educator Slated to Speak at Luncheon

Frank M. Wright, '16, associate superintendent of public instruction for the State of California, and 1948 Whittier College Alumni Luncheon speaker, was born in Denver, Colorado, in 1894.

After being graduated from Imperial High School, he entered Whittier College in 1912. Upon his graduation from the Poet school in 1916, the Whittier College alumnus went into farming for three years. In 1920, he was awarded a secondary teaching credential from the University of Southern California, and joined the faculty of Santa Paula High School as a science teacher and athletic coach.

In 1923, Wright was named science teacher and assistant coach at El Monte Union High School, and in 1925, was appointed district superintendent of schools for the El Monte school district, a post which he held until 1946. During his time at El Monte, Wright earned an M.A. degree at U.S.C.

In 1946, he was named associate superintendent of public instruction for the State of California, at which job he is presently employed.

Among his positions and memberships, Wright lists the presidency of the Association of California Public School Superintendents; membership on the State Council of the California Teachers Association; past presidency of the El Monte Lions Club; past presidency of the El Monte Chamber of Commerce; Scottish Rite Mason; Phi Delta Kappa; and the National Education Association.

Wright was married to Mary F. Todd in Whittier in 1916.

Arthur F. Corey to Deliver '48 Commencement Address; Program to Feature Alumni

In line with this year's policy of an all-alumni commencement and reunion program, principal speaker at the 1948 Whittier College Commencement exercises will be Arthur F. Corey, '24, executive secretary of the California Teachers Association.

Born in Sugar Grove, Pennsylvania, in 1902, Corey attended various public schools in Western New York and Pennsylvania, graduating from Punxsutawney, Pennsylvania, high school in 1919.

Coming to California, he entered Whittier College in 1920. While a Poet undergraduate, Corey served as president of the junior class, president of the Whittier College Y.M.C.A., and finally as president of the Quaker student body.

The Poet alumnus later attended the University of Southern California where he was granted an M.A. degree in 1932.

Following his graduation from Whittier College, Corey taught in the Intermediate School in Garden Grove, and the following year was made principal of Magnolia School in Orange County.

Three years later, he was elected superintendent of schools in Buena Park, and subsequently was appointed assistant superintendent of county schools with headquarters in Santa Ana.

In 1937-38, an appointment to field work in adult education with the United States Office of Education in Washington, D. C., gave him an excellent opportunity to visit school systems all over the nation and enabled him to greatly broaden his knowledge and outlook in the field of public education.

In September, 1938, Corey joined the California Teachers Association as Director of Public Relations for the Southern Section. Following the death of Fred L. Thurston, he was made executive secretary of the organization, a post which he has held ever since.

The Whittier College Commencement speaker is a member of the Legislative Commission of the National Education Association, and a member of the Board of Trustees of Whittier College.

Christmas Fund Report

Contributions to the 1947 Christmas Fund totaled \$1,978.45, according to Ed Paterson, alumni secretary. 330 persons contributed to establish an average of 53 cents per alumnus. Contributors averaged \$6 per person.

The Class of '12 topped the list with 40 per cent of the members contributing. The Class of '05 was next with 25 per cent.

The Class of '10 contributed the largest amount, \$120, and the Class of '25 followed with \$113.50.

Baccalaureate Speaker

O. HERSCHEL FOLGER, D.D. '42

Poet Baccalaureate Program Highlighted By Folger Talk

While Dr. O. Herschel Folger, pastor of the First Friends Church of Whittier and 1948 Whittier College Baccalaureate speaker, was never an undergraduate of the Poet school, he qualifies as a Quaker alumnus since he received the degree of Doctor of Divinity from Whittier College in 1942.

Dr. Folger was educated in the public schools of Indiana and received his A.B. degree from Earlham College. Continuing his studies, the Whittier College Baccalaureate speaker received a B.D. degree from Hartford Theological Seminary; an A.M. degree from Boston University; and finally a D.D. degree from Whittier College.

A lecturer in Friends' History and Doctrine on the Whittier College faculty since 1938, Dr. Folger has done home mission work in Maine, Arkansas, and Saskatchewan, and had pastorates in Massachusetts, Ohio, Indiana, and California. In addition to his service on the Whittier College faculty, Dr. Folger has taught at Wilmington College, Southland Institute, and the Moses Brown School.

A member of Rotary, Lions, Exchange, Y's Men, Twenty, University, and Commercial Clubs, the Whittier theologian has traveled in the Mediterranean area, Palestine, and Europe.

Listed among the offices Dr. Folger has held are the presidency of the Indiana State Pastors' Convention and the presidency of the Southern California Council of Protestant Churches.

BAKERSFIELD SCHOOL REPORT, DIRECTED BY JOHN L. COMPTON, '25, CHOSEN FOR USE IN U. S. DEPARTMENT OF STATE EDUCATION EXHIBIT

National recognition has been given the 1946-47 Annual Report of the Bakersfield City Schools, published under the direction of John L. Compton, '25, superintendent of schools.

The Bakersfield school district's illustrated report was one of 20 chosen from the nation by the State Department in Washington, D. C., to aid in teaching Japanese educators something about "our democratic learning practices and philosophies."

A letter from the state department's branch of graphics and special services to Compton read: "The wealth of meaningful illustrations in your annual report for 1946-47 prompts us to request two copies for use in preparing an exhibit, and to borrow a set of the original prints.

"The department of state is designing a 40-panel exhibit on 'U. S. Education' to be circulated in Japan for the purpose of orienting Japanese teachers to our democratic learning practices and philosophy. The advisory board for the exhibit includes educators from the office of education, department of the army, National Education Association, and several leading colleges and universities."

The Bakersfield report, picked out of several hundred like publications, according to the department of state, is "well illustrated with unposed, lively scenes of activity covering primary and secondary levels of public education."

The Bakersfield report contains a foreword by Compton which reads: "The influence of the teacher on the lives of boys and girls is eventually translated into our national life. The future history of our United States of America is being written in the classrooms of our elementary schools. Therefore, let us pay tribute to those who teach tomorrow's citizens."

The report, published in bound form on heavy, glossy paper, is made up of five divisions entitled: "Should Auld

Acquaintance Be Forgot," "Good Morning, Dear Teacher," "Readin', Writin', and 'Rithmetic," "One More River to Cross," and "Now the Day Is Over."

Subjects pictorially covered under "Good Morning, Dear Teacher" are traffic safety, bus supervision, yard supervision, health inspection, cafeteria, banking, collections for drives, enrolling new pupils, and citizenship.

Under the division heading, "Readin', Writin', and 'Rithmetic," are included several pictures and items on reading, writing, arithmetic, spelling, social studies, science, speech, hearing, posture, health, testing, visual education, dramatics, holidays, school programs, orchestra, glee club, instrumental music, student government, safety council, art, library, home making, industrial arts, physical education, testing vision, vaccinations, group planning, principal-teacher conferences, and Parent-Teacher Association.

Treated in the fourth division are: supplies, registers, daily preparation, art club, home nursing, talent show, public schools week, American Education Week, professional meetings, extension work, special classes, and community activities.

The report is concluded with a statistical report preceded by a note reading: "Dear Parents: We thank you for lending us your child today. All the years of love and care and training which you have given him will have stood him in good stead in his work and in his play. We send him home to you tonight a little stronger, a little freer, a little nearer his goal. Lend him again to us tomorrow. We pray you, in our care of him we shall show our gratitude."

John L. Compton, a graduate of Whittier College in 1925, is a member of the Whittier College Associates. He is now living at 2525 21st street, Bakersfield.

Broadoaks School Alumnae Stage Spring Get-Together At Pasadena Athletic Club

One of the best Broadoaks Alumnae get-togethers since Homecoming, 1947, was held at the Pasadena Athletic Club last month. Nearly 50 Broadoaks graduates and their husbands gathered to talk over old times and partake of hors d'oeuvres, cake, and coffee.

Mrs. F. J. Castle (Catherine B. Henry, '37) was hostess for the occasion. She was assisted by Miss Lucia Smith, Mrs. William C. Jones, and Miss Bettie Lewis, '45.

Among those attending were: Marcella Spivey, '36; Elsa Walmer, '45; Lillian Thompson, '28; Heidi Krogsrud, '45; Jeanette Mills, '45; Alice G. Fish, '17; Frances DePons Martin, '24; Ethel Husong, '35; Thelma Burdett Painter, '28; Mary Myers, '40; Alice Lembke, '40; Leula Emley Simpson, '45; Regina Soper, '36; Doris Bayard Webster, '28; Ruth Beardwood Draxler, '34; Ruth Eschbach Kornweibel, '34; Lucia W. Smith, faculty; Florence Hamilton, '31; Ruth Rounsefell Sauter, '32; Jean Ann McGillivray, '46; Mrs. John J. Caulfield, '33; Mrs. Leonard Gross, '38; Ruth Sundbye, '30; Mary Priscilla Allen, '18; Maurie A. Hamil, '19; Martha Wirick, '18; Vera Mae Schonfeld, '21; Mrs. Betty Gutwein Paulson, '41; Mrs. Gena Gasponi Wedge, '37; Mrs. Charles G. Lewis, '25; Mrs. Roger Neal, '20; Elsie Grime, faculty; Helen Chisholm Wilson, '45; Edna Pleger Worrell, '26; Mrs. Robert

S. Farrar, '34; Nell Travis, '40; Mrs. Harry T. Scott, '37; Bettie Lewis, '45; Katherine Dickson, '26; Katherine Seager, '42; Mary Speer Duber, '40; Mabel F. Rice, faculty; Catherine Henry Castle, '37; Marion Jenkins, faculty; Mrs. Jennie M. Davidson, '33; Dr. and Mrs. William C. Jones; Ed Paterson, secretary of the Alumni Association.

Class of '28 Sets Example In Planning Reunion Agenda

With the Class of '28 leading the way, eight Whittier College alumni classes are preparing for reunions on the Poet campus, June 12.

With all classes meeting for the traditional Alumni Luncheon, featuring Frank M. Wright as principal speaker, at noon at the Wm. Penn Hotel, the Class of '28 have indicated to the editors of "The Rock" that they intend to fill out the rest of the afternoon with a class get-together. Other classes are planning similar affairs.

Following the luncheon, the Class of '28 will adjourn to 310 North Painter for their get-together. They also ask that members of the class get luncheon reservations in immediately so they may plan to sit together.

Classes scheduled to hold reunions on the Poet campus June 12, include the Class of '08, '13, '18, '23, '28, '33, '38, and '43. If you're a member of one of these classes—don't miss your class reunion!

Cooper, Verhulst, James To Take Leaves of Absence For Further Study, Writing

Three Whittier College faculty members will go on leave of absence from the Poet campus next year, according to information received from the Whittier College administration.

Dr. Charles W. Cooper, professor of English, will join the summer school faculty of Harvard, "The Teaching of Literature," and "The Teaching of Composition and Interpretation." Following the completion of summer school, Dr. Cooper will remain on leave for a year to study and write. Most of his time will be devoted to the revision and further development of the preliminary edition of his book, "The Arts and Humanity," now used as a textbook in the Whittier College Fine Arts courses.

Miss Lucille Verhulst, dean of women and professor of physical education, will return to Chicago for further graduate study. A graduate of the University of Wisconsin, Miss Verhulst gained an M.S. degree at the University of Chicago, and has done graduate work at the University of Michigan and Rush Medical School.

Miss Lois James, instructor in biology, will travel to Palo Alto next year to complete her doctor's degree in biology. She has previously done graduate work at Stanford.

BROWNELL, YATES SET NEW QUAKER RECORDS AS WHITTIER COLLEGE FIELDS POTENT TEAM

Two new Whittier College track and field records were hung up this year as Coach Aubrey Bonham produced one of the most powerful Poet track squads in the history of the Quaker school.

Jack Brownell, '47, competing as a graduate student, encompassed his own broadjump record, set last season, with a leap of 23' 4 $\frac{3}{8}$ " in a triangular meet against Pomona College and Caltech held at Caltech.

Hal Yates, '49, tossed the 16-pound shot 47' 11 $\frac{3}{8}$ " to a new Whittier College shotput record in the same meet.

For the first time in years, Whittier College was a threat to conference schools throughout the track season. In the S.C.I.C. finals, held at Claremont, four teams, Whittier, Occidental, Redlands, and Pomona, came up to the final event all within four points of one another. The winning team in the mile relay, the last event, would win the meet. Occidental nosed out Redlands to capture the race and the meet; the Bulldogs, by way of their second place points, captured second spot in the meet over Whittier, whose relay team had not placed.

Coach Bonham, despite the loss of Brownell in the sprints and the broadjump, is looking forward with great enthusiasm to next year's Quaker track squad. With the addition of Ken Nowels from this season's freshman squad and whatever junior college transfer students enter school, Whittier could conceivably win the first conference track championship in the history of the school.

Fred Barton, captain of the 1946 squad, will return to lead the team next season. Jack Brownell was captain this season.

WHITTIER COLLEGE TRACK AND FIELD RECORDS

Jack Brownell, '47, Named Outstanding Athlete of Year At Annual Spring Banquet

Jack Brownell, '47, named most valuable player by his football teammates last fall and All-Conference broadjump winner in track this spring, was named the Whittier College Athlete of the Year at the 1948 Spring Sports Banquet sponsored by the Associated Men Students of Whittier College at the Campus Inn.

Dean Cromwell, for 40 years the head track and field coach at the University of Southern California and this year head coach of the United States Olympic team, was featured speaker of the evening.

Jack Mele, '43, former Whittier College athletic great, served as master of ceremonies, and entertainment was provided by Dick Mastain, '48, and Larry Snyder, '50.

Brownell, a three-year letterman in both football and track, this year set a new Whittier College broadjump record of 23' 4 $\frac{3}{8}$ ". He was undefeated throughout the season. Brownell, this year's Whittier College student body president, also captained the 1948 Poet track team.

Confining his remarks mainly to the Olympics, Dean Cromwell asserted the United States has the finest track coaches in the world, but added that material is what makes U. S. teams win. Packing his talk with interesting and humorous anecdotes, the spare, balding Trojan coach named what events the U. S. should win in this year's Olympic Games and which events he would "let" the other nations win.

Following short talks by Wallace Newman, baseball coach; Aubrey Bonham, basketball and track mentor; and Elmer Johnson, tennis coach; athletic awards were presented by Dr. Roy Newsom, head of the Whittier College athletic control board.

All-Conference trophies went to Bill Moore and Gordon Pedersen in basketball, and to Jack Brownell, Fred Barton, Percy Laughead, and John Price in track. Gold basketballs were presented by the student body to every member of the championship Poet basketball squad.

Five life pass winners were named: Jack Brownell, Millard "Buck" Jarnagan, Morris Hanberg, Forrest Dillon, and Gail Walker.

Varsity letter winners included:

Basketball: Jack Barton, Dick Erbe, Ray Hooper, Jean Martin, Bill Moore,

Poet Backfield . . .

Pictured above is an all-letterman backfield returning to Whittier College next fall to form the nucleus of Coach "Chief" Newman's 1948 gridiron attack. From left to right are George "Bud" Goodell, halfback; Jack Wood, fullback; Joe Feary, halfback; and Dick Tucker, quarterback.

Whittier College Baseballers Once Again Prove Threat In Conference Competition

Led by the potent batting of Captain Millard "Buck" Jarnagan who hit .341 for the 27-game season, the Whittier College baseball squad wound up its 1948 season recently with a record of 16 wins, nine losses, and two tie games. In conference competition, the Quakers won six and lost two, and, at this writing, still have an outside chance of sharing the crown with the University of Redlands this year.

Batting a powerful .303 for the season, the Quakers downed Mount San Antonio, Fullerton, Pasadena, and East Los Angeles junior colleges, Santa Barbara College, Loyola University, and Cal Poly (San Dimas), outside the Southern California Intercollegiate Conference; lost to Mount San Antonio, Compton, and Fullerton junior colleges, Santa Barbara College, and Pepperdine College; and tied twice in called games with Los Angeles City College.

In S.C.I.C. play, the Poets defeated

Pre-Season Dope Indicates '48 Quaker Football Outlook Will Be On Brighter Side

With 62 men, including 15 returning lettermen, out for spring football this month, the outlook for the 1948 Poet pigskin season is a fairly bright one.

Coach Wallace J. "Chief" Newman, set to start his twentieth year of coaching at Whittier College next fall, isn't saying much about his prospects as usual, but he has commented that this year's spring practice is being conducted with on enthusiasm that has been lacking since before the war.

Lettermen now suited up include: Ken Chandler, all-conference center; Bill Payne, all-conference guard; Earl Ryerson, all-conference tackle; Evan McKinney, guard; Claude Oakes, guard; Gene Marrs, tackle; Captain Leland Kulzer, end; and Jack Wood, George "Bud" Goodell, Dick Tucker, Buckner Harris, Bill Wheeler, Joe Feary, Bob Marvin, and Charles Hall, backs.

Quaker Alumni to Sponsor First Annual Golf Tourney At Hacienda Club, June 12

Would-be Lloyd Mangrums, Byron Nelsons, and Sam Sneads among the Whittier College College alumni will have a chance to prove their prowess June 12 when the Alumni Association golf tournament is staged at the Hacienda Country Club beginning at 8:30 a.m.

Norfleet Callicott, '42 chairman of the golf tournament committee, has announced that a two dollar entry fee will be charged for the 18-hole, handicap tournament.

Reservations for the tournament should reach the Alumni Office at Whittier College before Wednesday, June 9. Poet alumni planning to enter the tournament are asked to include their handicap with their reservation.

John F. Baker, '36, owner of the Whittier Sporting Goods store, has donated a perpetual trophy for the annual tournaments to be engraved with the winner's name each year and kept on display in the trophy case in the Great Hall of the O. T. Mendenhall building at the college. The trophy will be presented to the winner of the 1948 tournament during the Alumni Luncheon, June 12, in the Campus Inn.

Poet Tennis Squad Shows Unexpected Strength in SCIC

Coach Elmer Johnston's Whittier College tennis squad upset the S.C.I.C. dope bucket this year to finish a close second behind Pomona College. University of Redlands, long the dominating power in local tennis circles, ended in a last place tie with Occidental.

The Poet racquet wielders won 10 matches and lost five through the season. In conference play, they won over Pomona, 5-4; Occidental, 5-4 and 6-3; Caltech, 5-4; and Redlands, 6-3. They lost S.C.I.C. matches to Pomona, 3-6; to Caltech, 3-6; and to Redlands, 3-6. Outside conference competition the Quakers defeated Fullerton and East Los Angeles junior colleges, Los Angeles City College, Pasadena Nazarene, and Cal Poly; and lost to Pepperdine, and U.C.L.A.

Captain Morris Hanberg led the locals through the season as first singles man, then teamed with Claire Krueger, number two singles player, to form one of the most respected doubles teams in the Southland.

Varsity tennis letterman this year included Morris Hanberg, Claire Krueger, Dick Diehl, Emil Sasko, Larry Tilton, and Manager Louis Miles.

LETTER FROM THE SECRETARY

tion has on record. Although most of those present were from the classes of 1930 and later, there was entertainment available for the earlier classes and it is hoped that in the future full representation will be obtained.

These varied activities have whetted the interest of many of our members as evidenced by much of the correspondence I receive daily. These words of encouragement and constructive criticism have helped very much when our efforts seemed to have struck no responsive chord.

There is still much that each of you can do to make our Association stronger and more meaningful. Your support of every activity the Association conducts in your area is of prime importance. A good turnout adds to the prestige of Whittier College and to you.

You can say your bit about Whittier to those high school juniors and seniors of your acquaintance. A good word in this direction will help immeasurably to bolster attendance when the veterans have completed their schooling.

I find it hard to believe that there is a single one of our members who can not afford to send one dollar a year to the Association. Yet 90% of our group seemingly are in this unfortunate circumstance. The Christmas Fund has shown an improvement over the years past in that nearly 10% contributed to this year's drive.

Remember, you can't kick if you are pulling—if you can't pull, push.

It has been a good year, an eventful year, and I am sorry to have it draw to a close. I wish to thank all of you who have helped to make it so.

My best wishes, Ken Beyer, for your and the Association's future success.

Sincerely,

Ed Paterson, '43
Secretary
